PARTIES & SHOWERS

LEAVE YOUR GUESTS SPEECHLESS...with unforgettable vendors that deliver amazing experiences. Hosting smaller and intimate gatherings will provide a true authentic encounter. Themed dinner parties are the new “it factor.” Remember to incorporate costumes, and custom menus as part of the décor. Use bright colors with loose fabrics for simplicity. Add a hint of vintage style to create a nostalgic feel. Include timeless pieces such as salt and pepper shakers, napkin rings and placemats to create a one-of-a-kind look. Custom lighting and a dance floor will take your party up a few notches. Select tasty foods that will heighten your guests’ palettes. Be sure to offer alcoholic and non-alcoholic beverages “aka” mocktails to quench partygoers thirsts. Adding live entertainment in lieu of a pre-recorded playlist will provide old school vibes.
